PROFESSIONAL EXPERIENCE

Project Manager | WPP Production Bangladesh Limited

2026 - Present

- Manage end-to-end delivery of digital production projects, from planning and scheduling to final handover.
- Act as the main point of contact for clients and stakeholders, aligning requirements with delivery timelines.
- Coordinate cross-functional teams and QA activities to maintain quality standards and on-time releases.

Project Manager | Bit Mascot (Pvt.) Ltd.

2025 - 2026

- Lead end-to-end project delivery, including planning, scheduling, budgeting, execution, monitoring, and closure.
- Define project scope, goals, deliverables, and success criteria in collaboration with stakeholders and clients.
- Assign tasks, manage workloads, and track team performance to ensure smooth execution and timely delivery.
- Use project management tools (Jira, Confluence) to manage timelines, dependencies, and progress.
- Facilitate Agile ceremonies including daily stand-ups, sprint planning, backlog refinement, sprint review, and retrospectives.

Assistant Project Manager | Bit Mascot (Pvt.) Ltd.

2024 - 2025

- Oversaw resource allocation and team management to improve productivity.
- Coordinated with clients and stakeholders for updates and feedback.
- Used Jira and Confluence for project planning and collaboration.
- Conducted manual testing for quality assurance and monitored team progress to ensure task completion.

Project Coordinator | Bit Mascot (Pvt.) Ltd.

2023 - 2024

- Conducted thorough testing of websites and digital products for quality assurance.
- Attended client meetings for updates, progress demonstrations, and issue discussions.
- Maintained communication with team members to monitor task progress and meet deadlines.

Junior Project Manager | *Space Cats*

2022 - 2023

- Developed and maintained project plans, schedules, and budgets.
- Led cross-functional teams, assigned tasks, and monitored progress.
- Communicated project status and issues to stakeholders, managing project scope to ensure objectives were met.
- Tested websites and mobile apps, documenting and reporting bugs.
